Requests orders of Govt on the resolution dated 3-4-46 of the Municipal Council requesting the Govt to sanction funds to the extent of Rs 5- lakhs, for construction of a sufficiently accommodative choultry to give shelter to the visitors coming to Mysore city, for Dasara festivities

---

1) Reference is invited to the G.O. dated 15th December 1945 on the subject and the reply furnished by Govt thereto

2) The approximate number of passengers that ~~visited~~ visited Mysore in the Dasara season — October 1945 was 1,54,847- against 1,15,532 of the previous year — (i.e passengers who travelled by tram)

The General Manager has reported that

the traffic of the year 1944, was the highest on record and that the traffic of the year 1945— was nearly 40% in excess of it

4) The Trichur city Municipal Council has requested the Govt for allotment of a special grant of Rs 5 lakhs for the construction of Choultries in the city.

5) These Choultries, if constructed would be highly useful only during special occasions like the Dasara and Birthday celebrations in Trichur

6) The details of the scheme — i.e the estimated cost of the Buildings, their number, the places of location, the extent to which the Municipality would finance the arrangement, and whether any donations are anticipated from philanthropic persons, etc — have not been furnished

7) Provision of shelters to pilgrims

to the Mysore [illegible]
the Dasara [illegible] festive occasions
is a great necessity. People
resorting to the Capital city are
hard put to it to find accommodation
during the season. But this appears to
be a matter to be tackled by the
Combined efforts of the MCC, and the Trust Board, aided
public philanthropy. A suitable
suggestion of the first giving a suitable
grant for the purpose may also be considered
if practicable proposals are put forward.
Details as in para 6 supra will
therefore be called for from the Improvement
Improvement MCC, in Consultation with the
President, Improvement Trust Board
for orders.

Sir,

Subject - Construction of a sufficiently accommodative choultry to provide shelter to visitors to the City during Dasara Festivities

---

I have the honour to enclose herewith a copy of the resolution tabled by Mr.G Ahamed Khan, Municipal Councillor, to the effect that a request be made to Government to provide funds to the extent of five lakhs of rupees for the construction of a sufficiently accommodative choultry to give shelter to the visitors coming to Mysore during Dasara Festivities This proposition was moved by Mr.Mohamed Sait with permission and seconded by Mr G.Janardan Naidu It was unanimously carried by the Council at the Adjourned General meeting of the Municipal Council held on 9-4-1946 I request that orders of Government in this behalf may kindly be obtained and communicated

I am to state in this connection that people from all parts of India flock in large numbers to the City on the Dasara occasion and much inconvenience is felt by them for want of accommodation At the last Dasara occasion there was an unprecedented gathering so much so the City was packed to the full and the people took shelter in the streets and in every corner of the City It is highly desirable to provide accommodation to the large concourse of people who resort to the City on the occasion The request of the Council is deserving of sympathetic consideration by Government

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT

Office of the President,
City Municipal Council, Mysore,
